The table below should provide a general guideline for AlphaSmart 3000 computer compatibility. Many variations of Apple and Windows PC's have been made available through the years, and exceptions may exist. Report any errors found in the compatibility table below by leaving a comment at the bottom of this page.

PC Y	Mac Y	USB Cable	Serial Ir Cable	USB Ir Cable	Pod	Pod
	DOS	yes	no	no	no	no
	Windows 95	yes	no	no	yes	no
	Windows NT	yes	no	no	yes	no
	Windows 98	yes	no	yes	yes	yes
	Windows ME	yes	no	yes	no	yes
